

Ways to raise money for us

Take part in an event

There are lots of fun ways to raise money for Grapevine, all while stretching yourself, making friends and having a fantastic time. Talk to us about different events you can take part in on 024 7663 1040 extn 109.

Payroll giving

You can also give to us through payroll giving. Part of your pay comes from your income tax. If you are a 20% taxpayer the cost to you of donating £10 a month to Grapevine is just £8. If you pay 40% tax the cost to you is only £6 and if you pay 50% tax the cost of a £10 donation to you is halved to £5. Talk to us about payroll giving on 024 7663 1040 extn 109.

Leaving a legacy for the next generation

Making a will is the only way to make sure that your property and possessions will pass to those you want to benefit. Leaving a gift to Grapevine will help us to give the next generation of people with a learning disability the life they deserve.

Inheritance Tax legislation means that if you don't prepare properly, a substantial part of what you leave behind may go to the State. To find out more about how to make a will and ensure your estate goes to those you want to benefit go to www.remembercharity.org.uk.

Through www.remembercharity.org.uk you can get free advice from a

qualified probabte solicitor if you are a lay executor. The helpline number is 0844 880 2087 and they will answer questions and advise on:

- the duties of an executor
- how to arrange asset valuations
- how to conduct an asset search
- payment of Inheritance Tax and if it will apply to the estate
- what a charity will require of a lay executor and the distribution of any legacy
- tracing missing beneficiaries
